This country realized, as never before, to what a degree its industrial life depended upon the products of the technical chemist. . hat was done Did our manufacturers close their factories and abandon the struggle Far from it! i-Ingenuous makeshifts were adopted here antl there. but the great burden of responsibility was placed upon American chemists. They were put upon their mettle, and right uobly they responded. Ve have a small army of-American chemists. Some are occupied with the production of a few staple chemicals upon a large scale. Most are occupied normally with the control of the use of chemicals in hundreds of different branches. Suddenly they were summoried to create the manufacture of the most diverse-compounds, with the production of which they were totally unfamiliar. Yankee pluck, and determination, and adaptation and inventive ability were quite as marked assets...
