"With clarity, humor, and insight, award-winning filmmaker Barnet Bain guides readers to unlock the raw power of the creative self. Sharing creativity principles and practices at the leading edge, *The Book of Doing and Being* offers a life-altering map for stepping beyond what we already know and into a dimension of imagination from which innovation is born. Bain's motivational guidance includes: rewiring your brain to unleash ultra-creativity; finding freedom from self-criticism, perfectionism, and other obstructions to productivity and creative expression; harnessing the two forces of creativity: inspiration and action; discovering your emotions as the doorway to creative aliveness and ingenuity; and heeding the call of your Real Work, regardless of age, education, or experience. Step by step, you will make the discovery of a lifetime: how to stop being ruled by your past and start consciously creating your present and future. You will be surprised and energized--by your next creative impulse, the next idea that excites you, the next experience that moves you--and you will live a creative life"-- Our orders are sent...
