Blake Publishing. Paperback. Book Condition: new. BRAND NEW, 365 Nights, Charla Muller, The Mullers had a solid marriage and two wonderful children, but over the years sex had fallen low on their to-do list. The lack of intimacy wasn't causing them to drift apart, exactly, but their connection didn't seem as great as it could be. Charla decided that the couple would emabrk on a year of scheduled sex - falling over toy trucks and piles of laundry in an effort to make time for each other. There were obstacles along the way - when disasters at work intruded on their home life and when there were questions about the sex itself and faking it. Would physical love - whether good mediocre or ugly - make up for things that weren't so good? Charla and her husband had a whole year to find out.
