And when a millionaire buys her, it seems like life will change once more. But bandits attack as she and the millionaire journey through the forest, leaving Kurenai on her own in the woods. Ritu is a young woman keeping her Christianity a secret, fearful of the government and its xenophobic policies. European missionaries brought the gospel to southern Japan in the 1500s, and Ritu's family has kept the faith since, despite the personal danger. Ritu flees to the woods to preserve her life and religion. There she encounters Jin, a ninja who barely escaped attacks on his life after deciding to leave the warrior way of life behind. Ritu cares for the injured man and shelters him in her home in the woods-the same woods where Kurenai the Crimson wanders after her patron is murdered at the hands of bandits. Opening on the Japanese Island of Kyushu in 1865, Kurenai the Crimson 1865 chronicles the tale of three distinctly different people and how their journeys intertwine in the waning years of the Samurai era.
