There's always a Martin. One Martin. Martin Boyle already has plenty to worry about. His germaphobic mother keeps him home from school if she hears so much as a sneeze, and his father is always off somewhere reenacting old war battles. On a trip to the family cemetery, Martin wanders among the tombstones of his ancestors and discovers a disturbing pattern: when one Martin is born, the previous Martin dies. And---just his luck---Martin's aunt is about to give birth to a baby boy, who will, according to tradition, be named Martin. Martin must find a way to break the curse, but every clue seems to lead to a dead end. And time is running out.
