Raising Black Kids to Be O.K. (Paperback)

By Ph D Robert L Williams

Dog Ear Publishing, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.After raising eight children and with decades of psychology experience, Dr. Robert Williams is uniquely qualified to provide this much-needed book on how to raise black children properly from a black perspective. In Raising Black Kids to be O.K., parents will learn how to develop a black identity, deal with racial profiling and questions about biracial children, build character traits such as honesty and responsibility, and instill compassion and patience. One African-American parent's perspective highlights the reason a book on raising black kids properly is needed: A lot of black parents aren't doing their job. They are too young or immature to be parents in the first place. Some of them are drinking, and/or using drugs and some of them do not understand what they're supposed to be doing to raise productive, successful children. Perhaps they, themselves, have no clear examples of good parenting. Most parents, at some point or another, find themselves at their wits' end on how to handle a problem with their child. Raising Black Kids to be O.K. shows...

Reviews

It is one of the best publications. It really is really intriguing through reading through period of time. You will not feel monotony at anytime of your own time (that's what catalogs are for relating to in the event you request me).

-- Dr. Pat Hegmann

It is one of my favorite publications. It is among the most awesome publications I have gone through. I am just quickly will get a delight of reading through a published publication.

-- Prof. Martin Zboncak DVM
