

Why Is It That My Kite Won't Fly? - The Power of Strategic Project Management (Paperback)

Filesize: 6.27 MB

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

WHY IS IT THAT MY KITE WON T FLY? - THE POWER OF STRATEGIC PROJECT MANAGEMENT (PAPERBACK)

Friesenpress, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Project Management is, in many ways, like flying a kite. How do you design and construct it so that it s lifted high and strong by the wind? What do you do when it gets snagged in a tree, lands on the roof of a house, or is tangled on electrical wire? How do you retrieve it while keeping it intact? Similar elements come into play when executing a project. Successful delivery may be affected by obstacles such as erroneous engineering, defective equipment, late arrival of materials, personnel turnover, among others. While prior planning does indeed help, it takes a skilled pilot to build, fly, rescue, and bring down the kite safely throughout the course of its journey, just like it takes a skilled Project Manager to successfully deliver his (her) project. Like flying a kite, effective project management requires technique, experience and skill to finish the project on good terms. With a combination of practical wisdom borne of decades of experience in international engineering and project management, Why Is It That My Kite Won t Fly? offers a wealth of research and results-based suggestions for optimizing your approach to project management in a wide variety of sectors.
