Bridges tells the reader how the God of all grace delights in using ordinary people to perform extraordinary things. He astounds the world with what He has done in her own yielded life. She writes about how God s orchestrated blessings helped her overcome a multitude of problems including: Cleft lip and cleft palate; dyslexia and attention deficit disorder; growing up in an alcoholic family; and being a child of divorce. As an adult she was faced with being married to an alcoholic husband; experiencing the grief of her husband s death from cancer; marrying a drug addict, who was allegedly plotting to take her life; suffering from bipolar disorder; and overcoming her codependency. While relying on the promises of the Bible, as well as inspirational prayers and poems, she also offers many self-help, practical solutions, as well as lists of free educational and treatment resources. What the Caterpillar s Cocoon calls the End, God calls the Butterfly!.
