Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Miracles of Our Lord This Primer is, in substance, though in greatly reduced form, an adaptation of the Author s fuller work, The Miracles of our Lord: Expository and Homiletic (London: Hodder Stoughton. Third edition. 1896). Those who use the Primer will, at places, only see the full connection of what is here given by referring to the larger work. For teaching purposes, however, the present little book will be found in one respect a distinct improvement upon the former. There the Miracles were arranged on a principle of classification. Here they are given in the generally accepted order of their occurrence in the Gospel Narratives taken as a whole. This will have the advantage of leading the users of it over the Great Biography - making it a study of the Life of our Lord from a particular and instructive point of view. In arranging the Paragraphs or Lessons I have not attempted to adhere to the traditional number of thirty-three or thirty-five miracles; as it is of advantage in one or two cases to group some miracles together in one Lesson. But the result (thirty Lessons or Paragraphs) is very nearly the same. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
