Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Great Compassion Mantra of Natural Wisdom is a powerful Mantra developed by Mahayana Buddhists. This Mantra is said to have the power to liberate all sentient creatures from the Hell of Suffering, delivering them from Ignorance. In this second volume in a series of three, Master Shanjian Dashi presents an overview of the relevant psychological processes of the human mind followed by a detailed account of the Mantra's 42 Hand-and-Eye preparations, which are specifically designed to eliminate the identities and restore the Buddha Nature as the governing principle in our day-to-day experience. The Great Compassion Mantra is a verbal form of Dharana, a Sutra which uses syllables to transmit a powerful and effective transcendental message, creating a special state of consciousness. The transcendental message and the special state of consciousness set the conditions necessary for major changes in Attitudes, Intentions, and Actions. It awakens Benevolent Love, Compassion, and Gladness, engenders the Liberation of Wisdom, and facilitates the elimination of Suffering and Stress. The Mantra and the Commentary provide then the knowledge which leads to personal growth and the firm establishment of Wisdom, and can therefore be used to completely change the focus of one's own life or the lives of others who are open and receptive to what we can call Cosmic Consciousness.
