The murder of his father at the hands of the brutal Black Guard, which imprisoned his mother and half the populous of the newly risen continent, has left them trapped beneath the dome of Atlantia s politically enforced proton shield. Despite his personal rage over his losses, Lazer is determined to follow through on his promise, to his mother and his friend Kyla, and complete his Rite of Passage, a series of trials and tests required to prove one s readiness for adult status in this brave and ever-changing new world. But en route to Passage Island, the shattering truth about just how desperate things are at home on Atlantia is revealed, and Lazer embarks on a dangerous odyssey to return to Atlantia and free his homeland. His epic struggle with and against humans and genetically spliced creatures some part human, part animal, part machine is among the most harrowing and satisfying tales in the new genre that is The Vision Quest. Will Lazer and his friends tap the universal powers of the Visionistic Arts and discover the ancient secrets held by the Gnorbs? Will he stop the biodroid Black Guard and take back Atlantia, free his mother, and reunite with his true love, the beautiful Elana Blue? Readers of Book Two are invited to continue this amazing journey of discovery and unlock the ultimate mystery hidden deep within the heart of The Vision Quest.
