Brand New Book ***** Print on Demand *****.More adventures of the struggle for the flaming border of the early frontier During the eighteenth century the American frontier traversed the eastern woodlands, mountains and lakes of the continent. The flaming border was a hostile land populated by the tribes of the Shawnees, Wyandots, Delaware s and others-fierce warrior peoples determined to maintain their dominance to stem the encroachment of the early European pioneers. These settlers were a new people, determined to cut back the wilderness, to create communities and farm the fertile soil. Altsheler was well regarded for high adventure set in American history and accurately encompassing actual personalities and real events. This Leonaur collection is available in soft cover and hard cover with dust jacket. Altsheler s Civil War series and his French and Indian War series are also available from Leonaur. Adventure five and six of the time when the American...
