The questions are being raised in the older English Universities, whether after all Greek is a necessary part of every branch of study, and whether it should remain a compulsory subject in every curriculum. In America and in the British Colonies a further stage has been reached. Tradition there has less power; Greek as a compulsory subject has been quite discarded, and Latin itself is in some places a more or less optional subject. The possibilities of danger to education generally which are involved in this attitude toward classical studies need no remark. Yet there is another aspect of the matter which deserves consideration, and here I may be allowed to speak from my own experience. I found when I was Professor of Latin in a Canadian University a system of options in vogue, which permitted a man, if he so wished, to drop the Classics altogether at a very early stage. The higher study of...
