ARMY FIELD MANUAL FM 4-52 (FIRST AID)

Digireads.com. Paperback. Book Condition: New. Paperback. 228 pages. Dimensions: 9.0in. x 5.9in. x 0.9in. This manual meets the first aid training needs of individual service members. Because medical personnel will not always be readily available, the non-medical service members must rely heavily on their own skills and knowledge of life-sustaining methods to survive on the integrated battlefield. This publication outlines both self-aid and aid to other service members. More importantly, it emphasizes prompt and effective action in sustaining life and preventing or minimizing further suffering and disability. First aid is the emergency care given to the sick, injured or wounded before being treated by medical personnel. -From the Preface. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
