## GODBOLT BOOK ONE FROM THE GODBOLT SERIES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 160 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Godbolt is the first book in The Godbolt Series. It introduces the main character of the series, Chris Bontey or Godbolt, as well as the two secondary main characters, Kevin Sarcy or The Mindwriter and Blastus Legend or the Anti-Nigger Machine. Chris Bontey or Godbolt is a 23-year-old Chinese food delivery driver and lackluster college student who misses his medication and as a result seems to develop super powers. This first book shows Bontey dealing with this discovery and the realization he must quit his meds altogether. Also, Bontey realizes he needs to find a teacher to help him learn to concentrate and cultivate his powers. Unbeknownst to Bontey, there is a secret government organization, aptly and simply titled, The Organization led by an extremely determined man named Horace Danbury. The purpose of the Organization is unclear, but seems to be to find mutants and either get them to join the Organization or terminate them. The book begins with the Organization attempting to recruit Kevin Sarcy or The Mindwriter. Danburys plan is to recruit the Mindwriter and then recruit Blastus Legend or the Anti-Nigger Machine (ANM), who appears powerful enough to eventually recruit Bontey or Godbolt, who is, to Danbury the grand prize of all mutants. The book is written in first person from the three main characters points of view, with Godbolt taking the lions share of the book, followed by The Mindwriter, and lastly the ANM. Kevin Sarcy or The Mindwriter is an ambition mind reader and writer with immense powers and promise, who, apart from ambition, has a very sadistic and egotistical streak. He is a downright bastard. Blastus Legend or The Anti-Nigger Machine, named...
