Two Sylvias Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Cardiologist s Daughter is the debut poetry collection of poet and medical student, Natasha Kochicheril Moni. Praise for The Cardiologist s Daughter: Lovingly rendered and tenderly drawn, Natasha Kochicheril Moni s poems pulse with wonder and compassion as she examines the concerns of the heart. Kim Barnes, author of In the Kingdom of Men Natasha Moni is the poet who comes to us from the clan of butterfly watchers. I love her poems in this book, I suggest you open it to a poem such as As in Dutch, As in You or her sequence of the Cardiologist s daughter and you will find a voice which is able to find lyric in moments of each day, to find music in medicine, to find strange clarity in each of us. This is a beautiful debut. Ilya Kaminsky, author of Dancing in Odessa This doctor s daughter sings of the literal as well as the figurative heart, in poems that are haunting and elegiac. Moni s love of the language of medicine and anatomy, as well as a deep respect for her Indian and Dutch family roots, are evident throughout these delightful poems. Though her life path may evolve differently than her Cardiologist father s, they both bend toward healing as art. Peter Pereira, author of Saying the World Natasha Moni writes with unflinching honesty and subtle surprise. The Cardiologist s Daughter is both cryptic and conversational, self-deprecating and transcendent - a tender homage to her Indian and Dutch family roots and an intense reflection on the quest for personal identity. Anjali Banerjee, author of Haunting Jasmine and Enchanting Lily.
