This book is a guide containing proven steps and strategies that will help you attract good friends in life and also learn how to be a good friend. Human beings are believed to be coherently dependent on each other and to live fully we need to have close friends. Finding friends is at times considered a natural process but keeping them is dependent on you and that is basically your behavior, attitude, etc. We normally do different kinds of things in different areas of life and such situations and experiences allow us to meet friends which is a good thing because they help build us in one way or another. Have you ever gone to a new town or even country where you knew nobody? It always feels horrible because there is no one to hang out with or just talk and when you finally make friends things change for the better. This book now becomes very important because it will help you build and maintain a...
