Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Often we are struck by a Eureka moment of a creative impulse that ends up evaporating before we are actually able to materialize it. If this has happened to you, you are not alone; its normal for the creative minds get stuck during a project, at one point or another. Huge creative ideas can be overwhelming, and sometimes we find it hard or organize and execute them this might result in the creative idea being wasted. The good news is that you can learn to enhance your creativity and be able to utilize it properly in your projects by using some methods and techniques. Unleash Your Creativity is a short book that helps you in boosting your creativity to the next level. As the title says, unleashing your creativity is the aim of this book to help you achieve this goal, this book explains the basic concept of creativity and talks about the elements that negatively impact it. The author talks about the factors that can prove to be enemies for your creativity, and describes possible ways to beat them. The two methods being explored in this book will demonstrate how to give a boost to your creativity and avoid hitting dead ends in your creative projects. Getting new ideas, problem solving and tips to get more creative are also discussed in this book. This book is aimed for a broad target audience; managers, senior management, artists, authors, students, and people from almost every field can use this guide to enhance their creative vibes. By the end of this book, you are expected to be able to generate creative ideas for your business, book, art...
