RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 322 pages. OCLC Number: (OCoLC)48763792 Subject: Agricultural conservation -- Law and legislation -- United States. Excerpt: . . . ble agriculture. A whollyvoluntary new program is established, the Conservation Security Program, which will provide payments to farmers who practice sound conservation on working farmland, and funding is dramatically increased for the Environmental Quality Incentives Program. The legislation also includes new programs and enhanced funding for conserving and improving private forest lands. Rural community development The Committee is also well aware that rural America involves much in addition to agricultural production. Only six percent of rural Americans live on farms, and less than two percent of the U. S. rural population is engaged in farming as a primary occupation. Fewer than one in four farm families receive the majority of their income from farming, and so are dependent upon the rural economies around their farms. Seven out of eight rural counties are dominated by varying mixes of manufacturing, services and other non-farming activities. While rural development has traditionally focused much attention on providing physical infrastructure to rural areas, this bill, in addition to supporting infrastructure, includes a number of...
